25**

Dear Cheerleaders and Families,

Welcome to West Linn Youth Cheerleading! We're excited to have you join us for a season focused on growth, and teamwork. Whether you're returning or new to the program, this season will be an important step in developing the skills, discipline, and leadership qualities needed to succeed on your cheerleading journey.

Our Junior Team is designed to challenge athletes with more advanced stunting, tumbling, and performance skills while reinforcing the values of responsibility, teamwork, and commitment. Cheerleading at this level requires dedication, and we expect each athlete to bring their best effort to every practice, game, and event.

As a member of this team, you will:

- ✓ Build strong technical skills in stunting, jumps and motions
- ✓ Develop leadership and teamwork in a high-energy, supportive environment
- ✓ Learn responsibility, time management, and dedication—skills essential for any cheerleader
- ✓ Perform at games, community events, and competitions

Parents, your support is crucial to our team's success. Enclosed in this packet, you'll find important information regarding practice schedules, financial breakdown, uniforms, fundraising, expectations, and key dates for the season.

The rules outlined later in this packet are fairly enforced. Coaches have the right to make any decision that they feel is appropriate. Furthermore, all OCCA (Oregon Cheerleading Coaches Association) and NFHS (National Federation of State High School Associations) rules and regulations will be enforced.

Please read this packet in its entirety before registering your athlete online, which gives your support and permission for your athlete to participate in this organization.

If you have any questions, please don't hesitate to reach out. We look forward to an incredible season together and watching every athlete grow!

FUNDRIASING

FUNDRAISING AND DONATIONS

The West Linn Youth Cheer program is funded through personal payments, fundraising and sponsorships. Our goal is for 100% participation. These funds are necessary for the success of the program. Funds raised will go towards operational costs associated with registration.

Why Fundraising Matters: The Key to a Stronger, More Successful Team

Fundraising is more than just raising money—it's about creating opportunities for our young athletes to grow, compete, and thrive. When families participate in fundraising, they help ensure that every athlete has the chance to experience the best of youth sports without financial barriers.

The Impact of Fundraising

- ✔ Lower Costs for All Families – Fundraising helps offset the costs of facility rentals, coaching fees, insurance, taxes/accounting fees, admin fees, making sports more affordable for everyone.
- ✔ Better Equipment & Training – With additional funds, our athletes have access to safe practice spaces, and coaching that enhances their development.
- ✔ More Opportunities & Experiences – From training clinics and camps to team bonding events, fundraising gives athletes the chance to experience more than just the sideline.
- ✔ Building Team Spirit & Community – When families come together to support fundraising efforts, it strengthens our team's sense of unity and pride. Athletes learn teamwork not just at practice or on the sideline, but in their community as well.
- ✔ Life Lessons for Our Athletes – Fundraising teaches responsibility, leadership, and perseverance—skills that go far beyond sports. Athletes learn to work toward a goal, communicate with others, and give back to their team.

How You Can Help

- ♦ Support & Promote Events – Share fundraisers with family, friends, and local businesses to increase participation.
- ♦ Volunteer Your Time – Even small efforts, like working a shift at an event or helping with setup/cleanup, make a big difference.
- ♦ Participate in Team Fundraisers – Whether it's selling raffle tickets, attending a dine out night, collecting bottles or securing sponsorships, your participation directly benefits the program.

SOCIAL MEDIA AGREEMENT

Being a part of West Linn Youth Cheer means representing yourself, your teammates, and our program with respect—both in-person and online. Social media is a powerful tool, and we want to make sure it's used in a way that reflects the values of our team. By submitting your registration, you commit to using social media responsibly and positively.

Represent the Team with Respect

- ✓ Think before you post—your words and actions online reflect on you and the team.
- ✓ Keep posts, comments, and messages positive and encouraging.
- ✓ Show good sportsmanship—never speak badly about teammates, other teams, or coaches.

Keep It Safe & Kind

- ✓ Be respectful in all interactions—bullying, negativity, or inappropriate content is never okay.
- ✓ Do not share personal information (yours or your teammates') publicly.
- ✓ If you see something hurtful or concerning, report it to a trusted adult.

No Drama, No Negativity

- ✓ Avoid engaging in online arguments or drama.
- ✓ If you have a team-related issue, talk to a coach in-person instead of posting about it.
- ✓ Remember that deleted posts can still be saved or shared—always think before you post.

Keep It Fun & Positive

- ✓ Use social media to celebrate achievements, encourage teammates, and share your love for the sport.
- ✓ Tag the team in positive posts and support your teammates online.
- ✓ Represent West Linn Youth Cheer and the West Linn community with pride!

Consequences for Violating This Agreement

If social media is used in a way that goes against these guidelines, the following actions may be taken:

1. A warning and discussion with a coach.
2. A conversation with parents/guardians.
3. Dismissal from the program, depending on the severity of the issue.

We hold the cheerleaders representing our community to high standards and expect nothing but respect from them when posting on public apps or websites.

Agreement

I agree to follow these social media guidelines and understand that my actions online have real-world consequences. I will use social media responsibly and always represent West Linn Youth Cheerleading with respect and integrity.

Submitting your registration is your acknowledgement that you, as a parent/guardian, and your cheerleader have read this document and agree to abide by these standards when using social media.

PARENT COMMUNICATION

At West Linn Youth Cheer, we value open and respectful communication between parents, coaches, and athletes. To ensure a positive and productive environment for everyone, we ask that all parents adhere to the following communication expectations.

Our Role as Coaches

Our job as coaches is to develop the team as a whole while helping each athlete grow within the program. Every decision we make is based on what is best for the entire team—not just one individual. While we always have our athletes' best interests at heart, we ask that parents trust our experience, judgment, and the structure of our program.

Your Role as Parents

As a parent, your role is to support your athlete, encourage good sportsmanship, and foster a positive attitude toward the team and the sport. We appreciate your involvement and enthusiasm, and we ask that all communication with coaches be respectful and appropriate.

Acceptable Communication Practices

- ✔ Respect the Chain of Communication – If you have a question or concern, please reach out directly to the coaching staff at an appropriate time. Avoid discussing concerns during practice, games, or competitions, as coaches need to focus on the athletes.
- ✔ Use Appropriate Channels – We encourage email or scheduled meetings for discussions that require time and attention.
- ✔ 24-Hour Rule – If an issue arises, please wait 24 hours before reaching out to discuss it. This allows time for emotions to settle and for a more productive conversation to take place.
- ✔ Stay Positive & Constructive – Negative talk about coaches, athletes, or other parents (whether in person or on social media) is not appropriate. Let's foster a positive environment for our athletes.
- ✔ Encourage Your Athlete to Communicate – If your child has a question about their role, skills, or placement, encourage them to speak with a coach. Part of their development is learning how to communicate and advocate for themselves.

Unacceptable Communication Practices

- ✗ Coaching from the Sidelines – Please allow the coaching staff to instruct the athletes. Mixed messages can confuse and distract your child.
- ✗ Confronting Coaches at Practice or Games – These are not the right times for discussions. If you need to talk, please schedule a meeting.
- ✗ Disrupting Team Decisions – All decisions regarding team placement, skills, routines, and game-day roles are made with the team's best interest in mind.
- ✗ Negative Talk or Gossip – Any form of gossip, complaints, or negativity (in-person or online) that affects the team environment will not be tolerated.

Our Shared Goal

We all want the best for our athletes, and by working together with respect and understanding, we can create an incredible experience for them. Let's keep communication open, positive, and focused on what truly matters—helping our cheerleaders grow, learn, and succeed!

If you have any questions or concerns, please reach out appropriately, and we will be happy to address them. Thank you for being a part of West Linn Youth Cheer and for supporting our athletes in the best way possible!

ACKNOWLEDGEMENT OF PARTICIPATION

1. I will maintain open communication with the coaches at all times regarding scheduling conflicts, illness, injuries, and absences.
2. I will follow the instructions given by the coaches. I understand and agree that coaches make all program decisions.
3. I understand that coaches are happy to discuss any athlete's strengths and weaknesses to help them improve, but that the coach must also consider what is best for the team as a whole.
4. I understand and agree to the payment plan and will stay up to date with my own cheer account.
5. I understand that once any uniform or gear items have been purchased, no refunds are guaranteed to be issued for these items.
6. I understand and agree to the calendar given and realize changes can be made.
7. I understand that I am responsible for learning cheer material from missed practices using the videos provided, on my own, outside of practice times.
8. I understand that jewelry of any kind is not allowed to be worn while at cheer practices and events. I also understand that if I get a new piercing, I must remove it for all cheer practice and events, and that I cannot tape over my new piercing or use plastic spacers.

Submitting your registration is your acknowledgement that you, as a parent/guardian, and your cheerleader have read this document and agree to abide by these standards and are ready to participate in the West Linn Youth Cheer program.

CONCUSSION -- When can an athlete return to play after a concussion?

After suffering a concussion, no athlete should return to play or practice on the same day. Previously, athletes were allowed to return to play if their symptoms resolved within 15 minutes of the injury. Studies have shown that the young brain does not recover that quickly, thus the Oregon Legislature has established a rule that no player shall return to play following a concussion on that same day and the athlete must be cleared by an appropriate health care professional before they are allowed to return to play or practice.

Once an athlete is cleared to return to play, they should proceed with activity in a stepwise fashion to allow their brain to readjust to exertion. The athlete may complete a new step each day. The return to play schedule should proceed as below following medical clearance:

- Step 1: Light exercise, including walking or riding an exercise bike. No weightlifting.
- Step 2: Running in the gym or on the field. No helmet or other equipment.
- Step 3: Non-contact training drills in full equipment. Weight training can begin.
- Step 4: Full contact practice or training.
- Step 5: Game play.

If symptoms occur at any step, the athlete should cease activity and be re-evaluated by a health care provider.
